Project Information Worksheet 1

A project is a sequence of tasks that must be completed to get to the outcome you have chosen. Projects have a definite beginning, which starts with planning them. They have a definite end which is when you complete them.

Title of your chosen project 1

Date of project start

Date of project end

Describe your project

Explain what you learned as a result of this project

What would you do differently if you were going to do this project again in the future?

Financial Summary of Project 1

There is a cost to every project. Costs include things such as time spent on the project, travel to shop for materials, and the things you purchase to complete the project. For every project, you should consider if the outcome was worth what it cost.

In total, how many hours did you spend on this project (at home and at meetings)

Did your parents have to drive you to get materials YES NO

Cost of the Project Materials

Complete the table below in as much detail as possible to include ALL the materials that were used in your project. Then, add up the costs for a total tally.

Purchase Date	Detailed Description of Items Purchased Include where from, what for and cost per item	Cost
Example		
11.20.2021	Eggs from Hackett's to make pancakes for the Harvest Food Festival. 12 eggs cost \$4.00. I used 3 eggs	\$1.00
