4-H ENTOMOLOGY/HERPETOLOGY PROGRAM

PROJECT OBJECTIVES:

The purpose of the project is to help 4-H Club members to:

1. Acquire life skills through project participation and apply those skills to become an active, skilled, responsible community member.
2. Develop leadership skills that promote positive youth development.
3. To work on record keeping, planning, communication and organization skills.
4. To organize and participate in community service projects as leaders as well as members of a team.
5. Keep abreast of the latest practices and research findings in their project area.
6. Familiarize youth with entomology and herpetology by research and experimentation.
7. To understand the relationships that exist between species specifically humans and the creatures in the entomology and herpetology. To use their projects to inform their club and communities of the importance of these relationships.

REQUIREMENTS:

1. Be an Independent Member or a member of a 4-H club and attend meetings regularly.
2. Follow the leadership of the project leaders and Extension Staff.
3. Conduct an approved entomology and/or herpetology project.
4. Complete a County Level Public Presentation, participate in Community Service and keep an accurate and up to date record book for each area of participation.
